SSCI

1 February 1988

NOTE FOR: John Helgerson

FROM: 

SUBJECT: Today's Meeting with SSCI Staffers

Sen. Glenn's Bill Requiring GAO Audits of Agency: SSCI was and is opposed to this Bill. Committee's tactic was to have Bill referred to SSCI where no action was taken and to establish an SSCI audit team. Now I am hearing murmurs that Sen. Glenn will introduce measure as an amendment to the Cohen/Boren Bill or to some other Bill. (FYI: Charlie Battaglia even went so far as to describe the Statutory IG Bill that his boss Senator Specter is pushing as an alternative to the GAO Bill.) Our questions for the staffer are: have they heard this? What plans do they have to counter Glenn? (I understand they have a counter amendment.) What can we do?

Statutory IG: Anything new?

Monitoring Estimate: They may ask why we changed our guideline on access to Vol. II. Leak of the draft influenced our decision.
